## INTERNATIONAL SEARCH REPORT

(PCT Article 18 and Rules 43 and 44)

Applicant's or agent's file reference		of Transmittal of International Search Report (20) as well as, where applicable, item 5 below.								
H0004848	ACTION									
International application No.	International filing date (day/month/year)	(Earliest) Priority Date (day/month/year)								
PCT/US 03/41626	24/12/2003									
Applicant										
HONEYWELL INTERNATIONAL,	INC.									
This international Search Report has been prepared by this international Searching Authority and is transmitted to the applicant according to Article 18. A copy is being transmitted to the International Bureau.										
This International Search Benert consists	of a total of 2 sheets									
	This International Search Report consists of a total of sheets.  X It is also accompanied by a copy of each prior art document cited in this report.									
Basis of the report		····								
a. With regard to the language, the i	international search was carried out on the bas ess otherwise indicated under this item.	sis of the international application in the								
<u></u>	as carried out on the basis of a translation of the	ne international application furnished to this								
1		ternational application, the international search								
	nal application in written form.									
filed together with the inter	rnational application in computer readable form	n.								
furnished subsequently to	this Authority in written form.	•								
furnished subsequently to	furnished subsequently to this Authority in computer readble form.									
	the statement that the subsequently furnished written sequence listing does not go beyond the disclosure in the international application as filed has been furnished.									
1	the statement that the information recorded in computer readable form is identical to the written sequence listing has been									
2. Certain claims were foun	nd unsearchable (See Box I).									
3. Unity of invention is lack	ting (see Box II).									
4 NATING as an and so the state										
4. With regard to the title,	emitted by the continent									
	the text is approved as submitted by the applicant.  the text has been established by this Authority to read as follows:									
THE LEAK HAS DESIT ESTEEMENTS.	be by the Addicting to read as ionorio.									
5. With regard to the abstract,										
X the text is approved as sub		v en it annuare la Pay III. The analisant								
ine text has been establish within one month from the	ed, according to Rule 38.2(b), by this Authority date of mailing of this international search rep	y as it appears in box in. The applicant may, ort, submit comments to this Authority.								
6. The figure of the drawings to be publis	shed with the abstract is Figure No.	3								
as suggested by the applic	ant.	None of the figures.								
X because the applicant faile	d to suggest a figure.									
because this figure better of	characterizes the Invention.
